

KSCMP 'Safeguarding Training Tree' 2020

KSCMP offers a range of free multi-agency training courses.

The 'Training Tree' has been designed to reflect the range of our training offered and to make it easy to understand which courses are core learning, which are priority areas and how the Level 2 and 3 courses follow on.

To find out more go to www.kscmp.org.uk or to book a place directly go to: www.kentcpdonline.org.uk.
